Dear Property Owner,

On Thursday 16 May, the Minister of Transport, with support from the Mayor of Wellington and Chair of Greater Wellington Regional Council, announced details of the indicative package for Let's Get Wellington Moving.

We are getting in touch with you because the package that has been announced includes improvements to Wellington's transport network that may possibly affect your property in future. You may have already seen maps showing the location of potential projects or heard about them in the news.

What was announced is only a proposal at this stage, but we want to make sure you have the information you need throughout the process.

### **Proposals in your area**

The indicative package proposes an extra Mount Victoria tunnel and widening of Ruahine Street/Wellington Road to improve access reliability and travel choice between the central city and the eastern suburbs.

Proposals to widen Ruahine Street and Wellington Road have been put forward in the past, so this announcement may not be a surprise. However, we acknowledge that it may create some uncertainty for you regarding your property.

### **Next steps**

The next step is for the Let's Get Wellington Moving (LGWM) partners – Wellington City Council, Greater Wellington Regional Council, and the NZ Transport Agency – to consider and endorse the LGWM programme.

Once the programme is endorsed, LGWM can begin work on investigation, evaluation and design. These stages will involve further engagement with the community and with people who could be directly affected, including property owners.

It will be some time before we know which properties will be affected, but we wanted to contact you at this early stage so that you can get in touch with us if you have any questions.

In the meantime, if you would like to be kept up to date on our progress, please sign up for email updates at [www.getwellymoving.co.nz/property](http://www.getwellymoving.co.nz/property).

If you have any questions, email us on [info@getwellymoving.co.nz](mailto:info@getwellymoving.co.nz).

You can also write to us at Let's Get Wellington Moving, PO Box 5084, Lambton Quay, Wellington 6145.

We will get in touch with all potentially affected property owners when we are more certain about the programme's impact on properties.

Thank you for your patience as we begin work on this transformational plan for Wellington.

Yours sincerely,

**Barry Mein**
